LEAVE your itinerary with friends so they’ll know where to look if you don’t return on time or need assistance. These trails are open for winter hiking. Remember to dress in layers appropriate for the weather conditions. Be aware that these trails are used heavily in the late fall and spring by hunters. It is a good idea to wear bright fluorescent colored clothing if hiking during these time periods. Practice NO TRACE ETHICS —PACK IT IN, PACK IT OUT... and for sanitary disposal of wastes, dig a pit on flat ground at least 6 inches deep and at least 200 feet from water.

EMERGENCY — The nearest hospital is in Brookville, 25 miles south. The nearest telephone is located in Marienville, 4 miles south on Forest Road 128. The pump water in the developed recreation areas is safe for drinking. Water from any other sources should be boiled before consumption.

VOLUNTEERS — If you, a friend, or a club is interested in volunteering to help maintain the trails in this area, please contact the Ranger Station.

CUSTOMER SERVICE — The Marienville area offers food, lodging, gas and a small medical center. We would like to hear about your trail experience. Please report any unsafe trail conditions. We appreciate your support.
