

Boise Interagency Hotshot Crew

"To provide and maintain the highest possible standards within the National IHC organization, while being dedicated to one another and the mission at hand."

Boise Hotshot Crew swears to uphold the duties of "professional" Wildland Firefighters.

Overcome our limitations, knowing when we move further, faster and fight fire aggressively...we are Hotshots.

In all aspects of our lives, our crew and our mission, we will be professional.

Safety will always come first.

Encourage one another at all times.

Honor yourself, your crew and your profession.

Operate efficiently, know the expectations of the crew and take the initiative to complete the task.

Trust our leadership and one another.

Strive to excel in everything we do.

Help to succeed at any mission and live to succeed again.

Objective - Execute all missions as Professional Wildland Firefighters.

To never, be above learning or below teaching.

Complete all tasks in a timely manner.

Respect one another, all firefighting resources and the land we protect.

Exceed expectations.

Work hard, Play hard.
