

What is the trail permit program?

This program is part of a national recreation project to charge fees for certain recreation uses of federal land. Use fees on the Wayne N.F. have been implemented by requiring a permit for all terrain vehicles (ATVs), off highway motorcycles (OHMs), horse, and mountain bicycle use. Most of the income collected from the permits will remain on the Wayne N.F. and will be used to maintain trails, improve visitor services, and enhance trailhead areas.

Permits are only valid on the Wayne NF from April 15 through December 15. The trails are closed from December 16 through April 14. **Only ride on designated trails.** Off-highway vehicle and mountain bike trails are marked with orange diamonds. Horse trails are marked with grey diamonds, and hiking trails use white diamonds. Some trails on the Marietta Unit are open to both hiking and mountain biking are marked with white.

Who needs a trail permit?

Trail users are required to purchase and display a permit to ride mountain bikes, horses, ATVs, or OHMs on the Wayne NF. The permit must be clearly visible while on the trail. A permit is specific to the person and may be used by that person while riding ATVs and OHMs, mountain bicycles or horses. Permits are not transferable and are required for trail users who are 16 years and older. Hikers are not included in the permit program at this time, since hiking is considered a low impact use. Each year the tag is good for the April 15 to December 15 season.

Do I still need a State of Ohio APV sticker?

Yes. Motorcycles and ATVs which are not street licensed and off road vehicles are required to purchase APV (All Purpose Vehicles) stickers from one of the Ohio Bureau of Motor Vehicle Offices. The Wayne NF does not receive any

funding from the sale of the State of Ohio APV stickers.

Costs & Sources of trail permits.

There are three types of permits. The seasonal (4/15 - 12/15) permit is sold for \$45. A daily permit is \$12 per person per day (from midnight to midnight). The 3-day permit is \$24 (3 consecutive days only). Lost seasonal permits may be replaced for a \$10 fee (with receipt of lost permit) at Wayne NF offices only.

Permits will be available from each Wayne NF office, through the mail (mail order form attached), and from local merchants and equipment dealers. A list of participating trail permit vendors are on the reverse side of this brochure.
