

Errata

- On page 1 of the environmental assessment (EA), delete the following from the first sentence of the first paragraph under Tiering to the Final Environmental Impact Statement for the Allegheny National Forest Land and Resource Management Plan: “, except for Part3-Design Criteria, Section 2800 Minerals and Geology, and Oil and Gas Development on pages 90 through 92 of the 2007 ANF LFMP.”
- On page 1 of the EA, insert the following at the end of the first sentence of the fourth paragraph under Tiering to the Final Environmental Impact Statement for the Allegheny National Forest Land and Resource Management Plan: “, except for oil and gas development design criteria. As per Chief Gail Kimball’s 2007 ANF LRMP appeal decision, issued February 15, 2008, private oil and gas development design criteria would follow the site-specific authority provided in the 1986 ANF LRMP.”
- On page 22 of the EA, the entire second paragraph under Wildlife Enhancements should be removed.
- On page 26 of the EA, insert “1986” at the beginning of the first full sentence on the page.
- On page 28 of the EA, in the first sentence of the third paragraph under Water Quality, delete the words “more than.”
- On page 34 of the EA, in the first sentence in the paragraph under Alternative 1 (Modified Proposed Action, insert the word “burning” between prescribed and emissions.
- On page 43 of the EA, in the second sentence of the fourth paragraph, delete the word “only.”
- On page 43 of the EA, in the third sentence of the fourth paragraph, replace “62 percent” with “77 percent.”
- On page 44 of the EA, in the third sentence of the third paragraph, replace “62 percent” with “77 percent.”
- On page 56 of the EA, delete “and small-whorled pogonia” from the third complete sentence of the page and add “small-whorled pogonia” (before northeastern bulrush) to the fourth sentence of the page. The determination for the small-whorled pogonia is **no effect**, not **may affect**, not **likely to adversely affect**.
- On page 56 of the EA, in the first and fourth lines of the first paragraph, replace “northern bulrush” with “northeastern bulrush.”
- On page 56 of the EA, in the last sentence of the first paragraph under Regional Forester Sensitive Species, replace “52 RFSS” with “54 RFSS.”
- On page 57 of the EA, in the sixth sentence of the paragraph under *Cerulean Warbler*, replace “62 percent” with “77 percent.”
- On page 57 of the EA, in the last sentence of the paragraph under *Cerulean Warbler*, replace the word “sites” with the “inclusions.”

- On page 58 of the EA, in the fifth sentence of the second paragraph under *Mourning Warbler*, replace “30 percent” and “27 percent” with “15 percent” and “12 percent” respectively.
- On page 59 of the EA, in the sixth sentence of the first paragraph under *Seven Avian Species*, replace “62 percent” with “75 percent”. In the second sentence of the second paragraph under *Seven Avian Species*, replace “30 percent” with “15 percent”. In the fourth sentence of the second paragraph under *Seven Avian Species*, replace “62 percent” with “77 percent.”
- On page 59 of the EA, delete the “and reclamation” in the third sentence in the first paragraph under *Henslow’s Sparrow*.
- On page 60 of the EA, in the second sentence of the paragraph under *Golden-winged Warbler*, replace “30 percent” and “27 percent” with “15 percent” and “12 percent” respectively.
- On page 60 of the EA, delete the first three sentences in the paragraph under the National Forest Management Act section.
- On page 61 of the EA, add the following to the paragraph under Transportation Management Planning: “A RAP is also not needed for this project because no road construction, reconstruction or management changes are being proposed.”
- Add the following reference to the literature cited section:

USDA-FS. 2005. Forest Service Handbook 2509.18. Soil Management Region 9 Supplement of Chapter 2: Soil Quality Monitoring. 17 pp.
