## ***Volunteers Celebrate National Public Lands Day***

Yreka, Calif., September 28, 2009-Public Lands Day was celebrated on September 26, 2009 with a clean-up of a nature trail at the Tree of Heaven Campground. National Public Lands Day is the Nation's largest hands-on volunteer effort to improve and enhance the public lands across America. On Saturday, 22 local volunteers helped to make improvements in the popular trail which occurs along the Klamath River. Work included rebuilding of a cedar split rail fence, weed eradication, trail brushing and interpretive sign cleaning. The nature trail is used year-round by local school groups, birdwatchers and campground users. The Klamath National Forest would like to thank all those who participated in this volunteer event.
