1323 Club Drive
Vallejo, CA 94592

Dear Sir:

We understand that upon contributing \$68.00, the Forest Service, as part of its regular reforestation program, will plant trees on about one acre in the National Forest in California.

The Forest Service will provide to the plantation the same protection from fire, insects and other hazards given other National Forest areas. The plantation will be marked with a standard Forest Service sign. We desire the name of our organization as contributors, to appear on the sign as follows:

(Each contributing organization will be listed only once at any plantation. The name of any individual member of an organization will be shown only on the PENNY PINES Certificate). The plantation will be the property of the people of the United States as a part of the National Forest in which it is located and subject to multiple use management.

It is understood that each contribution of \$68.00, or multiple thereof, will be made payable to US Forest Service and mailed to Penny Pines Coordinator, U.S. Forest Service, 1323 Club Drive, Vallejo, CA 94592. Such contribution is for deposit to a Conservation Work Fund as authorized by the Act of June 30, 1914 (16 U.S.C. 498) and is to remain available until expended to assist in the reforestation of National Forest lands.

It is understood that no Member of or Delegate to Congress or Resident commissioner, shall be admitted to any share or part in this agreement, or to any benefit that may arise there from and that the accomplishment of the Forest Service's share of this agreement is contingent upon the appropriation of funds by Congress.

This agreement covers the initial and any subsequent contributions which may be made by the contributor during the period of this agreement. The period of this agreement shall be from the date shown until canceled by written notice from one party to the other.

Very truly yours,
