

Motorized Travel Management EIS/ROD
How to Use the CD
Stanislaus National Forest
 November 2009

The CD contains the Environment Impact Statement (EIS), Record of Decision (ROD), resource reports, supporting documents and maps. Most of the files are Adobe PDF files requiring the latest Acrobat Reader software (8.0 or higher) for best performance. You can download the latest Acrobat Reader software free of charge on the internet at <http://get.adobe.com/reader/>.

HELP FILES

In addition to these help files, open the home index.htm file to quickly navigate through and link to the contents of the CD.
