Swan Lake Campground and Day-Use Site Closed **Beginning Monday, October 5**

The Swan Lake Campground and Day-Use Site on the Flathead National Forest will be closed beginning Monday, October 5 for asphalt resurfacing of the entire day-use area and entrance to the campground. Work is anticipated to be completed by July 1, 2010.

The boat launch and ramp will be available for public use after construction activities close due to weather conditions late this fall and will remain available until work resumes in the spring. Snowmobile parking will continue to be available through the winter.

This project is an American Reinvestment and Recovery Act-funded project. AGC, Incorporated of Kalispell was awarded the work for approximately \$350,000.

For more information please contact the Swan Lake Ranger District at 837-7500.
