Temporary Closure on Stovepipe Canyon Trail on Tally Lake District

The Stovepipe Canyon, Trail #196, located on the southeast shore of Tally Lake on the Tally Lake District of the Flathead National Forest, will be temporarily closed for approximately one week beginning Monday, September 21 for timber removal from a cutting unit that borders the trail. The closure will also affect trail use on Trail #458.

Forest Service Road #2935 will be signed to alert travelers that there is timber hauling on the road and all travelers are encouraged to use caution in the area.

For more information about the temporary closure of the Stovepipe Canyon Trail contact Tally Lake Ranger District Resource Assistant Becky Smith-Powell Tally at 758-3538.
