**Hired Equipment & Fire Line Safety Training**

Lassen Community College will be presenting an eight hour annual fire safety training class for fire Contractors (dozers, water tender operators, timber fallers, pickup drivers). This class is intended for vendors who work directly on the fire line. In order to work on the fire line, you **MUST** attend this class. The class will be offered in four locations. There will be a \$20.00 per person (Calif. Resident non Res \$90.00) registration fee as a college class. For more information and to RSVP, contact Dave Trussell at Lassen College. 251-8829.

**You Must RSVP**
