- Other Public Motorized Trails
- Private Roads
- Lakes
- Streams
- Wilderness Areas
- Outside Affected Area or in Private Inholdings

Changes to Existing Routes
- Open to All Vehicles

N

0 0.5 1 Miles

Public motor vehicle travel below the high water mark at Shasta Lake, Iron Canyon Reservoir and Trinity Lake would be open to all vehicle classes with a maximum speed limit of 10 mph. Motor vehicle use to access permitted facilities (e.g., marinas, fee areas, and boat ramps) has no season of use restrictions.

SPECIAL PROVISIONS:
Alternative 5 complies with the Travel Management Rule requirement to prohibit motor vehicle travel off of designated National Forest Transportation System (NFTS) roads, trails and areas.

The USDA Forest Service uses the most current and complete data available. GIS data and accuracy may vary. Using GIS products for purposes other than those for which they were originally intended may yield innacurate results. The USDA Forest Service reserves the right to correct, update, modify, or replace GIS products without notification.
