

NORWAY BEACH VISITOR CENTER NATURALIST PROGRAMS

Jump into Summer at a Norway Beach Naturalist Program!

Catch water critters, learn to identify pine trees or just sit by the campfire and eat a smore. So many activities! Community groups can sign up for special programs on Wednesday- Thursday mornings. Call the Chippewa National Forest Supervisor's Office for specific naturalist program titles through the summer or check our Facebook and Twitter page for program updates!

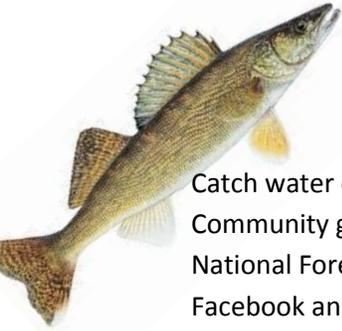

Your 2015 Summer Norway Beach Naturalist is Emily Fox!
