

TRAILHEADS SUPERSTITION WILDERNESS

Not uncommonly one of the more challenging parts of a backcountry trip is attempting to find the trailhead itself. To assist you in reaching the jumping-off place, we have developed the following directions to the trailhead named below

Woodbury TH - 4WD vehicles needed. Not recommended for horse-trailers. From Florence Junction, drive east on U.S. Highway 60 approximately 2 miles to the Queen Valley Road turn-off. Turn left and follow this paved road approximately 2 miles to where the Hewitt Station Road 357 (gravel) branches off to the right. Follow this road for approximately 3 miles to the JF Road 172 turn-off; turn left and follow this road approximately 9.3 miles to a road turning right (Note: Queen and Hewitt Creeks can wash out these roads; drive with care). The trailhead is a short distance down this road. Trails Accessed: JF Trail 106 and Woodbury Trail 114.

Be sure to secure your vehicle, and don't leave valuables in sight while you gone. Also be sure someone knows where you are going.
