

## **TRAILHEADS SUPERSTITION WILDERNESS**

Not uncommonly one of the more challenging parts of a backcountry trip is attempting to find the trailhead itself. To assist you in reaching the jumping-off place, we have developed the following directions to the trailhead named below:

**Peralta TH** - Drive east on US Highway 60 (approximately 8.5 miles past Apache Junction) to the Peralta Road 77 turnoff. The Trailhead is about 8 miles north on this road.

**Note:** Horse-trailers parking are on the left just inside the forest boundary 0.1 miles before reaching the main trailhead. Trail Accessed: Peralta Trail 102, Dutchman's Trail 104, Bluff Spring Trail 235.

Be sure to secure your vehicle, and don't leave valuables in sight while you gone. Also be sure someone knows where you are going.
