

Administrative Correction 1 April 3, 2006
--

Administrative corrections are defined at 36 CFR 219.7(b) and may be made at any time and are not plan amendments or revisions.

Administrative corrections include the following: (1) Corrections and updates of data and maps, (2) Corrections of typographical errors or other non-substantive changes; (3) Changes in the monitoring program and monitoring information (4) Changes in timber management projections; and (5) Other changes in the Plan Document or Set of Documents, except for substantive changes in the plan components.

Steamboat Springs Ski Area Boundary (36CFR 219.7(b)(1))

This administrative correction documents a more accurate GIS layer for the Steamboat Springs Ski Area Boundary. The map shows the updated boundary and the changes to the acres in the various management area prescriptions. The attached table gives a tabular presentation of the numbers of acres and percentage change.
