- 1) Mgt Area 8.22 included the Catamount Area as well as the Steamboat Springs Ski Area. The Steamboat Springs Ski Area 8.22 management area alone was equal to 3730 acres, so a change of +10 acres for this area alone equals a .27 % increase.
- 2) Where Percent Change = (change / old value) * 100. Note that all percent change values are less than 1 percent.
