

**Errata to the Available Lands, Oil and Gas Leasing, West of
Wyodak Coal Outcrop - Record of Decision
December 8, 2006**

RATIONALE FOR MY DECISION

Page 9 under the section,

4. A Supplemental Information Report (SIR) assessing the need for further analysis has been prepared. Paragraph 3 reads: “This site-specific consultation also will occur for other oil and gas leasing that may occur on the National Grassland outside of this analysis area.”

This paragraph is deleted, as commitment to site-specific consultation is outside the scope of this decision.

4. A Supplemental Information Report (SIR) assessing the need for further analysis has been prepared. The last paragraph reads: “In conversations with U.S. Fish and Wildlife Service biologists through the Level 1 Streamlining Process, no new has been shared indicating a need to change stipulations for oil and gas leasing within the Grassland Plan. (SIR page 5).”

It should read: In conversations with U.S. Fish and Wildlife Service biologists through the Level 1 Streamlining Process, no new **information** has been shared indicating a need to change stipulations for oil and gas leasing within the Grassland Plan. (SIR page 5).
