

CULTURAL RESOURCES – STATION BAER ASSESSMENT

The Cultural Resources Specialist Reports prepared in support of the Station Fire BAER Plan are protected by Section 9 of the Archaeological Resources Protection Act (16 USC 470hh) and Section 304 of the National Historic Preservation Act (16 USC 470 w-3). Access to the reports is restricted because disclosure would create a risk of harm, theft, or destruction to the resources or to the area or place where the resources are located.
