Overnight Registration Information: In order to continue to provide quality recreation experiences and to protect wilderness lands, the Forest Service must gather data regarding visitor use and travel patterns. Each party camping overnight in the Holy Cross Wilderness is required to self-register at the trailhead and to carry a copy of the registration with them during their visit. There is no fee charged and no limit to the number of registration forms issued.

Access from Vail: Take Exit 171 off I-70 for Minturn and Hwy. 24. Turn right onto Hwy. 24:

NORTH TRAILHEAD: From the Ranger Station, proceed south about 4.6 miles, passing through Minturn, to Tigiwon Road #707. Turn right onto Tigiwon Road and continue to the end – 8.4 miles of rough dirt road. Park at the parking area at the end of the road. Parking is very limited at this trailhead, especially on weekends. Please do not block the road.

SOUTH TRAILHEAD, proceed 12.6 miles on Hwy. 24 to Homestake Road #703. Turn right and travel 7.3 miles on Homestake Road to the Holy Cross City Jeep Road #759. Park here and walk about 2 miles up the road to the trailhead. NOTE: This jeep road is very rough and should not be attempted unless you have a very high-clearance 4WD with a winch.

Trail Highlights: From the North Trailhead, the trail climbs gradually to Lake Constantine. After crossing Fall Creek, the trail climbs abruptly to the alpine meadows below Fall Creek Pass. Over the pass, the trail drops down to the Seven Sisters Lakes and then to Hunky Dory Lake before intersecting the Holy Cross City Jeep Road. It’s another 2 miles down to Homestake Road #703. The middle portion of the trail, from Lake Constantine to Hunky Dory Lake, is less traveled. The stair step arrangement of the Seven Sisters Lakes and the towering rock cliffs around them offers rugged alpine scenery for hikers who venture farther. Many side trips can be taken from this trail such as Notch Mountain, Tuhare Lakes and the Holy Cross City site.

Important Information: Fall Creek is within the Holy Cross Wilderness. Wilderness is for your use and enjoyment, but you have an obligation to leave it unimpaired for future generations.
