Trail Highlights:

- In Europe the term “Ski Circus” is used for alpine areas which are connected by a network of lifts and trails, many times allowing the skier to ski from town to town. The Bemrose Ski Circus has a series of inter-connecting cross-country skiing trails for all ability levels.
- The area’s low potential for avalanches makes it an attractive area for beginner / intermediate skiers.
- After the first mile, options for a few downhill turns are plentiful.

Important Information:

- **THIS TRAIL IS USED FOR MULTIPLE ACTIVITIES TO INCLUDE CROSS-COUNTRY SKIING AND SNOWSHOEING. PLEASE RESPECT OTHER USERS.**
- Only the main loop is marked with blue diamonds.
- The trailhead is up a small embankment from the parking lot, so you will have to hike up to it.
- From the trailhead follow the route marked with blue diamonds as the trail heads north on an easily followed water diversion ditch.
- Where the ditch intersects Bemrose Creek skiers can explore higher up or glide gently down to the lower access point.
