Dear Mr. Quigley:

In accordance with 36 CFR 251.87(c)(2), I have conducted a second level review of Flathead National Forest Supervisor's decision, dated June 30, 1999, regarding dismissal of your Appeal. You appealed District Ranger Jane Kollmeyer's denial of your request to place U.S. Postal Service mail boxes at the intersection on Upper Lost Creek Road and Tally Lake Road. Based on my review of the record, I concur with Supervisor Barbouletos' decision delivered in her June 30, 1999, letter to you.

The decision of the Forest Supervisor stands as the final administrative decision of the Department of Agriculture.

Sincerely,

/s/ Gary A. Morrison
