

## **Appendix 14**

### **Granger-Thye Fee Offset Certification (FS-2700-4h, Appendix G)**

<If the G-T fee is offset, the FS and the permit holder have to enter into an annual G-T fee offset agreement that specifies the MRRRI projects to be performed. This annual agreement should also specify whether the concessionaire is required or has the option of entering into a collection agreement to have the FS perform the work.>

Claims for fee offset must be documented using the G-T Fee Offset Certification Form (ref: Appendix 14).

Applicants proposing to perform G-T fee offset work must submit either an FS approved indirect cost rate or accounting procedures and documentation of their historical indirect cost rate (ref: Appendix 15).

Total allowable costs may be offset under a Granger-Thye (GT) fee offset agreement to the extent they do not exceed the total annual fee for this permit. Total allowable costs of a GT project included in this GT claim are the sum of the direct GT project costs and indirect costs allocable to this GT project. Costs submitted under this GT claim will be accepted to the extent they are reasonable, allocable, and determined to be allowable, in accordance with the terms of the permit, GT agreement, and agency policy.

**Direct GT Costs:** Provide claimed GT costs by cost element and attach schedules to show the cost breakdown by cost element. Provide supporting documentation for the cost claim.

**Indirect costs:** Indirect costs must be computed based on Forest Service-approved indirect cost rate and may be added to the total direct GT costs. Attach the approved indirect cost rate for FY [redacted].

Approval of the fee offset claim is subject to all provisions in the Annual Granger-Thye Fee Offset Agreement (FS-2700-4h, Appendix B) executed by the U.S. Department of Agriculture, Forest Service, [redacted] National Forest, and [redacted] on [redacted].
