Dear Mr. Kayser:

This is in reference to your appeal and request for a stay dated February 20, 1997. You are appealing District Ranger Balboni's refusal to issue you a special use permit for the occupancy and use of National Forest System lands (please see attached copy of appeal regulations). Only those who currently hold a written permit may appeal concerning their permit. You currently have no permit and no authorization to provide outfitting and guide services on the Kootenai National Forest, therefore, there is no decision to appeal and we cannot act on your stay request.

The purpose and scope of the 36 CFR 251 Appeal Regulations is to offer a fair and equitable process for appealing and obtaining administrative review of decisions regarding written instruments of occupancy and use of National Forest System lands (please see attached copy of appeal regulations). Only those who currently hold a written permit may appeal concerning their permit. You currently have no permit and no authorization to provide outfitting and guide services on the Kootenai National Forest, therefore, there is no decision to appeal and we cannot act on your stay request.

Sincerely,

/s/ Robert L. Schrenk
