Juanita Lake Trail and Fishing Platform Will be Closed Aug 16 – Oct 31

Yreka, CA- The Klamath National Forest will be reconstructing and paving the trail and associated fishing platforms around Juanita Lake this summer. Portions of the trail will be closed for public safety while construction activity is taking place starting August 16. Construction is expected to continue through October 31. The campground will remain open and will operate as usual during this construction.

Funds for this project were made available from the American Recovery and Reinvestment Act of 2009. For further information contact the Gooseneck Ranger District at (530) 398-4391.
