East-side Hungry Horse Reservoir Road Will Close Thursday, August 5 Through August 26 at Mile Post 13 (Lost Mare Creek)

The East-side Hungry Horse Reservoir Road (Forest Road #38) will be closed at mile post 13, Lost Mare Creek, due to a culvert replacement project beginning Thursday, August 5 through August 26.

Access to Riverside Boat Launch, Murray Bay Campground, Spotted Bear Ranger Station and numerous other recreation areas along the east side of the reservoir will only be accessible via the West-side Hungry Horse Reservoir Road (Forest Road # 895) during this time.

Forest users accessing Emery Bay Campground and Abbott Bay Boat Launch will be able to do so via the East-side Road (Forest Road #38).

Anyone traveling the West-side Hungry Horse Reservoir Road is reminded to drive with caution as there is increased truck traffic on the road due to the Vistas Timber Sale along the reservoir and other forest projects.

Forest users are encouraged to plan ahead when recreating and traveling in the Hungry Horse Reservoir Area due to numerous work activities involving temporary road closures or access changes.
