- Plains-Thompson Falls Ranger District (D5)
- Seeley Lake Ranger District (D6)
- Superior Ranger District (D7)
- Forest Wide (all Districts)

*** MANAGEMENT INTEREST**

Check the box next to the management interests that you would like to receive information about.

Forest Plan:	Changes, updates, policy interpretations, guidance and direction including amendments to the current plan.	<input type="checkbox"/>
Weeds:	Weed prevention and control including herbicide application, biological controls, and physical controls such as mowing, pulling, and planting.	<input type="checkbox"/>
Insects and Disease:	Insect prevention and control including pesticide application and placement of repellants.	<input type="checkbox"/>
Range:	Grazing and livestock use including allotments, and development and management of range improvements such as fences, impoundments, and water resources.	<input type="checkbox"/>
Recreation:	Recreation management and use including developed campgrounds and dispersed uses, trails and rivers, interpretive services, and permitted (guide/outfitter) recreation services.	<input type="checkbox"/>
Vegetation Management:	Vegetation management including timber harvest, tree thinning and slashing, girdling, and other treatments for forest improvement.	<input type="checkbox"/>
Water and Fish:	Watershed and fisheries management and uses including riparian and stream restoration, and fish habitat improvement.	<input type="checkbox"/>
Wildlife	Wildlife management including maintenance and improvement of wildlife habitat, animal damage control, threatened, endangered and sensitive animals, and management indicator species.	<input type="checkbox"/>
Special Uses	Permitted or approved Forest uses and authorizations including rights-of-way, facilities and site developments, special events, water diversions and impoundments, and small product removal.	<input type="checkbox"/>
Minerals	Mining claims, mineral leases, permits and licenses, surface materials processing and removal, building stone and gravel removal, and mine reclamation.	<input type="checkbox"/>
Fire	Fire suppression, prevention, and fuels management including prescribed burning, slashing, and noncommercial and commercial timber management to reduce or remove fuels.	<input type="checkbox"/>
Lands	Land ownership management including land purchases and exchanges, titles, claims, encroachments, encumbrances, and preservations.	<input type="checkbox"/>
Roads	Transportation and travel management including cost-share, road maintenance, reconstruction, construction, storage and decommissioning, closures, use restrictions, and access requests.	<input type="checkbox"/>
Heritage	Protection, restoration, preservation, celebration, or interpretation of cultural and historic events, sites and facilities.	<input type="checkbox"/>

FOREST SCHEDULE OF PROPOSED ACTION (SOPA) MAILING LIST:

In addition to receiving individual project mailings, you may also subscribe to the **SOPA Quarterly Report**. The SOPA Report contains a list of proposed actions that will begin or are currently undergoing environmental analysis and documentation on the Forest. To subscribe to the SOPA Quarterly Report, check the box next to your delivery preference. This Report, along with information on other Forest Service projects across the Nation, may also be accessed on: <http://www.fs.fed.us/sopa/>. We encourage you to explore this site for project information.

* Receive SOPA Quarterly Report	Yes <input type="checkbox"/>	No <input type="checkbox"/> I will access the report on the SOPA web site
