

PURPOSE AND CONTENTS OF THIS MAP

The designations shown on this motor vehicle use map (MVUM) were made by the responsible official pursuant to 36 CFR 212.51, are effective as of the date on the front cover of this MVUM, and will remain in effect until superseded by next year's MVUM.

It is the responsibility of the user to acquire the current MVUM. This MVUM shows the National Forest System roads, National Forest System trails, and the areas on National Forest System lands in the Bankhead National Forest that are designated for motor vehicle use pursuant to 36 CFR 212.51. This MVUM also identifies the vehicle classes allowed on each route and in each area, and any seasonal restrictions that apply on those routes and in those areas.

Designation of a road, trail, or area for motor vehicle use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or inviting use or implying that the road, trail, or area is passable, actively maintained, or safe for travel. Motor vehicle designations include parking along designated routes and at facilities associated with designated routes when it is safe to do so and when not causing damage to National Forest System resources. Seasonal weather conditions and natural events may render designated roads and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheel-drive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive little maintenance.

This motor vehicle use map identifies those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.51 for the purpose of enforcing the prohibition at 36 CFR 261.13. This is a limited purpose. The other public roads are shown for information and navigation purposes only and are not subject to designation under the Forest Service travel management regulation.

These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.

EXPLANATION OF LEGEND ITEMS

Roads Open to Highway Legal Vehicles Only:
These roads are open only to motor vehicles licensed under State law for general operation on all public roads within the state.

Trails Open to Wheeled Vehicles 50' or less in Width:
These trails are open only to wheeled, motor vehicles less than 50 inches in width at the widest point on the vehicle.

Special Vehicle Designation:
This symbol indicates the road or trail is open to classes of vehicles other than those listed above. Refer to the Seasonal and Special Designation Table for further instructions.

Seasonal Designation:
This symbol, used in conjunction with one of the other road or trail symbols, indicates that the road or trail is open only during certain portions of the year. Refer to Seasonal and Special Designation Table for further instructions.

Other Public Roads and Trails:
Interstate
Highways, U.S., State
Other Public Roads
Other Public Trails
These symbols are used to show routes the Forest Service does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference layers showing connections to towns and cities outside the forest boundary.

Short Route Identifier:
This symbol is used for roads that are too short to show a symbol type on the map. The symbol contains the number of the road or trail. Users should refer to the corresponding number in the Short Route Table for designation information.

Motorized Trail Access:
This symbol indicates a trailhead for access to a motorized route. Not all motorized routes have trailheads and those that do may range from primitive to developed.
