

Handle With Care

Working Together to Care for Alabama's Environment

6 Steps to a Healthier Environment

1. Plant trees in your neighborhood.
2. Ride off-road vehicles on designated trails.
3. Prevent wildfires by drowning campfires.
4. Recycle or reuse to keep streams clean.
5. Identify and control invasive plants.
6. Get moving and exercise outdoors or visit one of Alabama's national forests to connect with nature.

Learn about the U.S. Forest Service's mission and emphasis on climate change, water and more kids in the woods at www.fs.fed.us.
