### Description

Pipes Lake is a beautiful area located in rolling hills with pine and hardwood overstory. Picnic tables are located on ridges overlooking a 14 acre lake and its many coves. The lake, with a concrete boat ramp, supports large mouth bass, bream, and catfish. Hunting camps are available in the area as well. Facilities include five picnicking units, chemical toilets, and a concrete boat ramp. Pipes Lake is open year-round unless winter weather conditions require the area to be closed. Please contact the District Ranger's office to make sure the area is open if you plan on visiting during the months of January & February. No user fees required.

### Location

Located southwest of Natchez, MS.
