## Klamath National Forest Announces Internet Vehicle and Equipment Auction

**Yreka, CA** –The U.S. Forest Service will be selling surplus vehicles and equipment by public Internet auction. The Klamath National Forest will be selling 61 items, including trucks, trailers, loader, and miscellaneous equipment, to the highest internet bidder. Beginning November 29<sup>th</sup>, 2010, and ending on December 6, 2010, bid items will be available on the GSA website: [www.gsaauctions.gov](http://www.gsaauctions.gov).

On the GSA website, type in the sale number 91QSCI11016 in the “Enter Search Text” box and press enter. Only Forest Service items will be displayed. With each item of this search there is an assigned number, description, photos(s), and a contact name and number if further inquiry is needed.

Bidders are cautioned to be sure to view the ‘Terms and Conditions’ (in the blue tool bar at the top of the page), for all requirements regarding registering, bidding, payment, warranties, and removal of successfully bid items.

Internet sale vehicles and equipment are available for public viewing from 9 a.m. to 3 p.m. daily starting Monday, November 29<sup>nd</sup> (excluding the weekend) through Monday, December 6th.

Following is the Forest viewing site and contact information:
