Pursuant to 36 CFR 261.50(b), the following act is prohibited on roads wholly or partly within or adjacent to and serving a part of the Tahoe National Forest which have been included in the Forest Development Road System Plan.

1. Transporting minor forest products without a valid permit or bill of sale. 36 CFR 261.54(d).

Any person who removes any minor forest products from the property where such products were cut and/or collected and transports such products upon any forest development road shall have in his or her possession a valid bill of sale for such products or a written permit authorizing such removal and transport. Any such permit or bill of sale shall include, but is not limited to all of the following:

1. The name, address, and signature or the landowner, and a phone number, if available.
2. The name, address, and signature or the permittee or purchaser.
3. The amount, species, and/or type of minor forest products being transported.
4. A description sufficient to identify the property from which a minor forest product is removed.
5. The date of issuance of the permit or bill of sale and the duration of the period of time which the minor forest products may be removed.
6. Such conditions or additional information which the landowner may impose or include.

Any permit for removal of minor forest products from which public lands that is issued by the United States Forest Service or the Bureau of Land Management is sufficient for the purposes of this forest order regardless of whether such permit conforms to the specific requirements as to content set forth in this order.

For the purposes of this order, "minor forest products," applies to firewood, posts, shake boards, shake and shingle bolts, or split products, in quantities exceeding 20 cubic feet in volume, and burlwood or stumps, in quantities of two or more, and any amount of Christmas trees.

This prohibition is in addition to the general prohibitions in 36 CFR Part 261.

Done at Nevada City, California, this 6th day of February, 1995.

JOHN H. SKINNER
Forest Supervisor
Tahoe National Forest

A violation of this prohibition is punishable by a fine of not more than \$5,000 or imprisonment for not more than six months, or both. 18 USC 3571.
