SCHEDULE OF PROPOSED ACTIONS (SOPA)
for January, February and March 2011

Welcome to the January 2011 issue of the **San Juan SOPA**. This schedule is produced quarterly and includes all National Environmental Policy Act (NEPA) project proposals and Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) projects that we anticipate working on over the next three to twelve months.

There are four sections in this issue: (1) Cover sheet and definitions, (2) CERCLA projects, (3) BLM (including CANM) projects and (4) Forest Service projects.

Look for the types of projects that interest you. If you'd like to be involved, please contact the project leader for further information. If you send written comments via fax machine, we ask that you also send a copy via regular U.S. mail. If you wish to be added to, or removed from our mailing list, please call Elysia Retzlaff at 970-385-1253.

The complete S.O.P.A. is also available on the Web at www.fs.fed.us/r2/sanjuan/projects/, under the NEPA Projects (SOPA) heading.

All BLM NEPA projects also on the Web at http://www.blm.gov/co/st/en/BLM_Information/nepa/sjplc.html

Your continued interest and involvement on the San Juan Public Lands is appreciated and welcome!
