**Objectives:**

The **IQCS** course will provide Account Managers an orientation of PeopleSoft navigation and a hands-on experience with each of the **IQCS** processes including:

- Security Roles and Permissions
- Navigation
- Employee Data
- Training Logistics
- Incident Qualifications Card
- Experience and Taskbook
- Transfer and Competency Management
- Training Administration
- Reports

**Target Group:**

1. Individuals who serve as Account Managers for the **IQCS**

2. Individuals who serve as Training Officers and Training Specialists who are involved with the administration of training (needs assessment, course scheduling and announcement, selection of students, course coordination, etc.)
3. Also intended for those individuals who have the responsibility of providing **IQCS** related assistance to others in their respective geographic area
