Forest Supervisor
Ottawa National Forest

Attachment:

Michigan Forest Fire Law, Act 329 of Public Acts 1969 (specifically):

Sec. 4 A person shall not:

- (a). At any time the ground is not snow-covered, a person shall not burn any flammable material on or adjacent to forestland, except for domestic purposes, without a permit from the director or his authorized representative. **36 CFR 261.52 (k)**
- (b). The director or his representative shall set the times of day and consistent with the provisions of this act, the conditions under which burning for other than domestic purposes on or adjacent to forest land shall be permitted. **36 CFR 261.52 (k)**
- (c). Any person doing any burning on or adjacent to forestland for other than domestic purposes or adjacent to forestland shall be permitted. **36 CFR 261.52 (k)**

Sec. 5 A person shall not:

- (a) Dispose of a lighted match, cigarette, cigar, ashes or other flaming or glowing substances or any other substance or thing that is likely to ignite a forest, brush, grass or woods fire; or throw or drop from a moving vehicle any such objects or substances.
- (b) Set fire, or cause or procure the setting on fire of any flammable material on or adjacent to forest land without taking reasonable precautions, both before and after lighting the fire, and at all times thereafter to prevent escape thereof or leave the fire before it is extinguished. **36 CFR 261.52 (k)**
- (c) Set a backfire or cause a backfire to be set, except under the direct supervision of an established fire control agency or unless it can be established that the setting of such backfire is necessary for the purpose of saving life or valuable property. **36 CFR 261.52 (k)**
- (d) Destroy, break down, mutilate or remove any fire control sign or poster erected by an established fire control agency in the administration of its lawful duties and authority. **36 CFR 261.52 (k)**
- (e) Use or operate on or adjacent to forest land, a welding torch, tar pot, or other device which may cause a fire, without clearing flammable material surrounding the operation or without taking such other reasonable precautions necessary to ensure against the starting and spreading of fire.

Sec.7 A locomotive or other rolling stock shall not be operated unless it is equipped with and uses adequate devices to arrest the escape of glowing or burning materials or substances and is maintained in good working order to protect against the start and spread of fires along the right-of-way. A railroad shall keep its right-of-way cleared of all flammable material to a distance of 50 feet on each side of the center of the track. The railroad and any officer, employee, agent or independent contractors are jointly liable for any violation of this section.

Sec. 8 Any person, who is violating any provision of this act, causes a forest or grass fire, is liable for all damages resulting there from, including the cost of any governmental unit fighting the fire. Nothing in this act shall be construed as affecting any other right of action for damages. **36 CFR 261.52(k)**
