

Forest Service Planning Rule National Forum

Forest Service Planning Rule: National Forum

March 10, 2011 - Agenda

LOCATION

The Renaissance Hotel at DuPont
1143 New Hampshire Ave. NW
Washington, DC 20009

Accessible via Foggy Bottom and DuPont Circle metro stations.

PURPOSES

The purposes of this National Forum are to:

- Provide stakeholders an in-depth understanding of the Proposed Rule.
- Continue to build the trust and constructive relationships that can serve as a foundation for collaboration as the Final Rule is developed and implemented.

The purpose of these forums is to help the public understand the content of the proposed rule. The Forest Service will not be soliciting public comments at the forums. We are currently in a public comment period, and thus comments need to be submitted in writing.

The presentations, Q&A and discussions that take place during the Forum will be video streamed but will NOT be part of the comment record.
