To the Designated Federal Official for the Francis Marion Sumter Resource Advisory Committee:

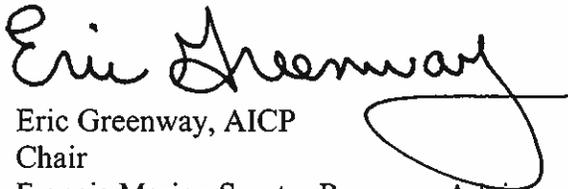

I am sending you the list of Title II projects recommended by the Francis Marion Sumter Resource Advisory Committee (FMS RAC). Below is the list of approved projects that would be funded from 2008 to 2011 Title II funds. The total project funding amount available will be based on Union, Newberry, Oconee, and Berkeley County Commissioners allocation to Title II, which will be determined by September 30, 2011.

<b>Project Name</b>	<b>Total Funding</b>
Jericho Horse Trail Improvement	\$40,000
Berkeley County Road Maintenance	\$225,000
Beisel Road Improvements	\$85,000
Lula Green Road Improvements	\$60,000
Cane Restoration in Riparian Area	\$40,000
Land Bridge Road Bridge Replacement	\$96,000
USFS-TNC Prescribed Fire Module	\$105,000

Please note that since some Title II funds will not be available until March 2012 that some proposals would not be implemented next year. Please see the meeting notes for a more detailed breakdown of the break down on funding. Once you have approved the list of Title II projects, then Mary Morrison and I will work on contacting the applicants to notify them on the status of the Title II funding for their projects.

If you have any questions, please do not hesitate to call me.

Sincerely,

Eric Greenway, AICP  
Chair  
Francis Marion Sumter Resource Advisory Committee
