Forest Resource Advisory Committee meets in Walden March 24

(Steamboat Springs, Colo.) March 10, 2011 -- The MedBow-Routt Resource Advisory Committee (RAC) will meet Thursday March 24, from 9:30 – 3:30 at the Forest Service Office, 100 Main Street in Walden, Colorado. The purpose of the meeting is to review and recommend projects for funding this year, using 2010 Title II funds.

In January, the RAC solicited projects to be considered for funding through the Title II of the Secure Rural Schools Act. Eleven project proposals were received and now the RAC needs to recommend to the Forest Service which ones to fund and at what levels.

Projects will be in Routt and Jackson counties in Colorado, and Albany and Carbon counties in Wyoming, and will benefit the national forests. The public is invited to attend and will have an opportunity to comment at 3:20 p.m. For more information, please call 970-870-2187.
