Dear Appeal Deciding Officer:

On Thursday, July 21st, Doug Heiken of ONRC and Karen Shimamoto, Supervisor of the Fremont-Winema National Forests, conducted an appeal resolution meeting concerning the Grassy Fire Salvage Project. Based on our conversations, Oregon Natural Resources Council Fund, Klamath-Siskiyou Wildlands Center (Appellants) and Fremont-Winema National Forests hereby mutually agree as follows:

1. Appellants agree to withdraw their June 23, 2005 appeal of the Forest Service's May 6, 2005 decision to approve the Decision Notice for the Grassy Fire Salvage EA.
2. The Forest Service agrees to modify the Grassy Fire Salvage decision by withdrawing from harvest the following units:
 - a. Unit 8 — 40 unroaded acres
 - b. Unit 5 — 8 unroaded acres
 - c. Unit 9 — 8 unroaded acres
3. The Forest Service agrees to ensure that the timber sale contract and on-the-ground implementation are consistent with this agreement.

Sincerely,

Doug Heiken
