

Carson Ranger District Offers Two Firewood Sales

The Humboldt-Toiyabe National Forest, Carson Ranger District is currently advertising two small firewood sales: the Hope Valley Campground Sale and the Mount Rose Campground Sale. Trees within these campgrounds were removed as part of an ongoing campground renovation contract. The trees have been cut down, their limbs removed and they are currently decked (stacked) within the campgrounds.

The Hope Valley Campground Sale is located in the Hope Valley, California campground, off the Blue Lakes Road and Highway 88, approximately 37 miles south of Carson City, Nevada. This sale includes approximately 8 CCF (hundred cubic feet) of firewood, which converts to approximately 9.5 cords of firewood using the conversion factor of 1 cord equals 0.8500 CCF. A photograph of the decked wood is below. The minimum bid for this sale is \$20 per CCF, total of \$160 (this equals approximately \$17 per cord).

The Mount Rose Campground Sale is located in the Mt. Rose, Nevada campground, off of state Highway 341 (Mt. Rose Hwy) at the Mt. Rose Summit, approximately 40 miles north of Carson City, Nevada. This sale includes approximately 6 CCF, which converts to approximately 7 cords of firewood using the conversion factor of 1 cord equals 0.8500 CCF. A photograph of the wood prior to decking is below; this wood has now been decked and is in a stack. The minimum bid for this sale is \$20 per CCF, total of \$120 (this equals approximately \$17 per cord).

These sales will be offered for bid and will be awarded to the highest bidder. The individual awarded the contract will be required to remove the firewood by June 19, 2011. Coordination with the campground renovation contracts will also be required during removal of the firewood.

If you are interested in bidding on either or both of these sales, you must obtain a bid package that includes instructions and forms to be used. Bids will be accepted through April 28, 2011. For additional information or to obtain a bid package, please contact Tom Lane at 775-884-8143.
