

# Trail Use Permits

## Hoosier National Forest

8/2016

### What is the Permit Program for Trail Use?

This program is authorized under the Recreation Enhancement Act which permits federal land management agencies to charge modest fees for some recreation uses.

Trail use fees on the Hoosier N.F. have been implemented by requiring an annual or day-use tag for horse and bicycle use. Most of the income collected from the trail tags remains on the Hoosier and is used to maintain trails, enhance trailheads, and improve visitor services.

All horse and bicycle users on the National Forest, 17 years of age or older, are required to have a trail permit tag.

### Where are trail tags required?

Tags are required when using a horse or bicycle on a Hoosier N.F. trail, trailhead, or campground. Tags are not required on public roads, or on the Hardin Ridge Beach access trail. Horses and bicycles are required to stay on designated trails. Tags must be carried on your person or displayed from your horse or bike. There are approximately 184 miles of trails designated for bike use, and 211 miles of trail for horse use on the Forest.

### Who needs a trail tag?

A tag is required for each adult rider 17 and older. The tag is issued to the rider and may not be loaned to another person. Pack stock and foals without a rider are not required to have tags. Indiana Department of Natural Resources bridle tags are for State lands and are not valid for the Hoosier National Forest.

### Trail tag fees, and where to purchase?

The cost of an annual tag is \$35.00. A daily tag is \$5.00/day. There are no refunds for lost or stolen trail tags.

Trail tags can be purchased at either the Tell City or Bedford offices of the Hoosier National Forest, through the mail, or from several local businesses. Stores which sell trail tags are listed on the back of this flier alphabetically by location. Some busi-

nesses operate seasonally so please call ahead for availability.

The mail order form is below and can be mailed with a check, credit card information, or money order payable to USDA Forest Service.
