SNOWMOBILE REGISTRATION

California State law requires that all over-motorized vehicles be registered and that the registration stickers be prominently displayed. Out-of-state vehicles must be registered. Snowmobile owners who do not have a California state snowmobile registration sticker must have the owner’s permission to ride or ski on private property.

SNOWMOBILE SAFETY

The following are some of the essential winter safety measures:

- Wear a helmet and goggles when riding.
- Be aware of others on snowmobiles.
- Keep a safe distance from other snowmobiles.
- Use caution when crossing intersections.
- Avoid riding in bad weather conditions.
- Use caution when entering or exiting tracks.
- Be aware of the weather conditions and stay on familiar trails.
