

## CHAPTER 4 LIST OF PREPARERS

Name/Education/Experience	Role/Responsibility
<p><b>Thomas Bailey</b></p> <p>BS Soil Science (1976); 27 years experience in the collection, evaluation, mapping and interpretation of soil resource information.</p>	<p>Interdisciplinary Team Member, Soil Resources</p>
<p><b>JoBeth Brown</b></p> <p>BA Sociology (1984); 20 years experience in public affairs.</p>	<p>Public Affairs Officer</p>
<p><b>Ted Coffman</b></p> <p>BLA Landscape Architecture and BS Horticulture (1980, 1979); 27 years of experience involving visual resources and the design and administration of recreation, Wilderness, and trails.</p>	<p>Recreation Staff Officer</p>
<p><b>Thomas K. Collins</b></p> <p>BA Geology (1965); Graduate Study in Geology; 35 years of experience in the inventory and evaluation of geologic resources.</p>	<p>Interdisciplinary Team Member, Geology</p>
<p><b>Carol Croy</b></p> <p>BS Wildlife and Fisheries (1987), MS Wildlife Ecology (1991), PhD Wildlife Ecology (2003); 23 years experience in inventorying, monitoring and management of plant and animal species, including rare, endangered and sensitive species; 7 years experience in research of prescribed fire effects on flora and fauna communities.</p>	<p>Interdisciplinary Team Member, Wildlife Resources</p>
<p><b>Steve Croy</b></p> <p>BS Wildlife Biology and Botany (1977); 30 years experience involving the inventory, management, and monitoring for threatened, endangered, and rare plant and animal species.</p>	<p>Interdisciplinary Team Member, Sensitive Plant and Animal Resources, Fire</p>
<p><b>Cindy M. Huber</b></p> <p>BS Forestry (1976); MS Entomology (1981); 11 years of experience in assessing the impacts of insect and disease pests on forest resources, 17 years experience in monitoring and evaluating the effects of air pollution on natural resources and visibility.</p>	<p>Interdisciplinary Team Member, Air Resources</p>
<p><b>Fred Huber</b></p> <p>BA Biology (1972); MS Botany (1976); Graduate Study in physiological ecology of alpine plant species; 21 years of experience in identifying and evaluation sensitive plant and animal resources and habitats.</p>	<p>Interdisciplinary Team Member, Sensitive Plant Resources</p>

<b>Name/Education/Experience</b>	<b>Role/Responsibility</b>
<p><b>Dawn Kirk</b></p> <p>BA Biology/Environmental Studies (1990); MS Fisheries (1992); Graduate Study in aquatic ecology and benthic macroinvertebrates, 18 years of experience in monitoring and evaluating aquatic habitats and fisheries management.</p>	<p>Interdisciplinary Team Member, Aquatic Resources</p>
<p><b>Ken Landgraf</b></p> <p>BS Water Resource Science and Biology (1978); 10 years experience in NEPA and Forest Planning, 21 years of experience in collecting, interpreting information on water, air and soils.</p>	<p>Interdisciplinary Team Member, Planning Staff Officer</p>
<p><b>Russ MacFarlane</b></p> <p>BSF Forest Resource Management (1985); 17 years experience in timber planning/silviculture, 8 years experience in pest management.</p>	<p>Interdisciplinary Team Member, Silviculture</p>
<p><b>Al McPherson</b></p> <p>BA Biology (1973); 17 years experience in the administration and monitoring of recreation, wilderness, and trails programs.</p>	<p>Interdisciplinary Team Member, Recreation (retired)</p>
<p><b>James O'Hear</b></p> <p>BS Geography (1986); 20 years in GIS and forest planning.</p>	<p>Geographic Information Systems</p>
<p><b>Karen Overcash</b></p> <p>BS Forest Resource Management (1985); MS Forest Biometrics (1988); 20 years of experience in land management planning.</p>	<p>Interdisciplinary Team Leader, Planning Analyst, NEPA</p>
<p><b>Richard Patton</b></p> <p>MS Forest Management/Hydrology (1980); 30 years experience in inventory and evaluation of water resources.</p>	<p>Interdisciplinary Team Member, Hydrology</p>
<p><b>Dave Plunkett</b></p> <p>Bachelor of Science, Forestry, Penn State University (1975); 26 years experience with U.S. Forest Service as forester and planner at Ranger District and Supervisor's Office level on 4 National Forests in 3 Forest Service Regions and Northeast Forest Experiment Station.</p>	<p>Interdisciplinary Team Member, Planning and NEPA (retired)</p>
<p><b>Scott Vandegrift</b></p> <p>BS Construction Engineering (1995); 19 years civil engineering experience including 15 years of facility and transportation management</p>	<p>Interdisciplinary Team Member, Engineering and Lands</p>

<b>Name/Education/Experience</b>	<b>Role/Responsibility</b>
<b>Ginny Williams</b>  BLA Landscape Architecture (1990); 20 years of experience involving visual resources, developed recreation, trails, Wilderness and design.	Interdisciplinary Team Member, Scenery and Recreation Resources
