### **RIVERS AND STREAMS:**

Use extreme caution around streams, creeks, and rivers because we do not have lifeguards on duty, if you do enter the water areas you do so at your own risk. Some of our rivers and streams have very swift running waters and hidden hazards below the surface of the water.

### **ROADS:**

It is important to pay attention to changing road conditions during storms. Normally, our roads are subject to rocks coming off of the banks, mud in the roadway, etc. Dirt roads are rough and not recommended for family autos. Pickup trucks and 4WD vehicles are acceptable, but extreme caution is urged.

**Angeles Crest Highway (State Route 2):** Closed from Vincent Gap to Cedar Springs and from Clear Creek to the 210 Freeway.

Road Closures may occur at anytime due to weather/road conditions. Always be aware of rocks in the coming off the banks and in the roadway.. Road information can be obtained from Caltrans at

<http://www.dot.ca.gov/hq/roadinfo>, or you may contact them at (800) 427-7623.

**Old Ridge Route** closed to all motorized vehicle traffic from Templin Highway to 8N01. (Hiking, Horseback, Bicycle ok)

**VISITORS ACTIVITIES:** 

**Grassy Hollow:** For information on the Visitor Center or the Volunteers of the Angeles National Forest, please contact the Center at (626) 821-6737 on Saturday or Sunday and most holidays between 10 am and 4 pm. You may also access their web site at [www.grassyhollow.net](http://www.grassyhollow.net). Check their web site for programs for the public and school educational programs and youth groups during the week by appointment.

**WILDLIFE/BIRD VIEWING AREA:**

The area is located at **Soledad Campground**. Please be advised that the campground is closed, but the viewing platform is open and has wheelchair accessible ramps and bathrooms. The viewing platform provides a “bird’s eye view” into the canopy of the riparian (streamside) forest of the upper Santa Clara River. During the spring, many migratory birds may be seen in and around the trees near the platform. There are informative displays also at the viewing area.

In conjunction with the Pomona Valley Chapter, Audubon Society, **Grassy Hollow Visitor Center** has a bird viewing area located on the south deck overlooking numerous and varied bird feeders and a small water source. Local high country birds and small mammals (squirrels and chipmunks) can be enjoyed from this location which is accessible for the physically challenged. There are benches nearby and on weekends, when the Visitor Center is open a “**bird cart**” is available which contains binoculars and notebook of local birds with space for recording sightings.
