Description

The Timber-Frear Canoe Route (named after Timber Lake and Frear Lake) offers the opportunity to experience a wilderness type canoe trip without the permit. You will find “backcountry” campsites are similar to those in the Boundary Waters Canoe Area Wilderness with steel firegrates and outdoor latrines. Please respect this area as you would a wilderness by packing out what you pack in.

Four rustic campgrounds are nearby offering perfect places to spend the night before or after your trip - see our Camping flyer for further details on rustic campgrounds.

Leave No Trace Principles

1. Plan ahead and prepare.
2. Travel and camp on durable surfaces.
3. Dispose of waste properly.
4. Minimize use and impact of fires.
5. Respect wildlife.
7. Be considerate of other visitors.
