Ability to speak Spanish is helpful. A background in or knowledge of natural resources is helpful.

Requirements:  
Has a State Driver's license and the ability to obtain a Government Driver's License  
Able to conduct arduous physical work.  
Must be experienced with working with high school students.

## Job Location:

**Forest:** Lake Tahoe Basin Mgt Unit

**District:** Not Applicable

**Location Other:**

**The Lake Tahoe Basin Management Unit** is organized and administered as a national forest, but without ranger districts. Located at 35 College Drive in South Lake Tahoe, California.

The primary mission of the LTBMU is to restore and preserve the legendary clarity of Lake Tahoe (one of the world's deepest mountain lakes, at an average depth of more than 1,000 feet!), while providing year-round recreational opportunities on National Forest System lands for millions of visitors annually.

The LTBMU is located in the Sierra-Nevada Mountain Range, at 6,225 feet above sea level. The Lake Tahoe Basin is comfortable in the summer, with daytime temperatures averaging 80 degrees Fahrenheit and evenings turning cool and crisp. Afternoon thunderstorms are common in the summer, though their durations are usually on the order of only minutes to a few hours and do nothing to dampen the spirits of boaters, hikers, mountain-bikers, and picnickers. During the autumn, the brilliant yellow color of aspen leaves provides a wonderful contrast to the deep green color of the pines. Winters are cold, but below-zero temperatures at night are rare. Winter snowfall averages about 6-feet to 10-feet per year adjacent to the lake and over 30 feet per year on the spectacular mountain peaks that bound the Basin. Exceptional alpine and downhill skiing, snowboarding, telemarking and Nordic/cross-country skiing are enjoyed from November through April. The sun shines on the Basin more than 330 days every year.

**City/State/Zip:** South Lake Tahoe, CA 96150

**Location:** See Location Other

## How to Apply

### Apply Online

To apply for one of our temporary jobs, go to: [www.usajobs.opm.gov](http://www.usajobs.opm.gov)
