

# JEFFERSON NATIONAL FOREST

Clinch Ranger District

## Alternative B

Management Prescriptions

Land and Resource Management Plan  
Draft Environmental Impact Statement

### Legend

- |  |   |  |
|--|---|--|
| 0.B - Custodial - Small Areas          | 5.B - Designated Communication Site                     | 8.E.4.b - Indiana Bat Secondary                      |
| 1.A - Designated Wilderness            | 5.C - Designated Utility Corridor                       | 8.E.5 - Watchable Wildlife                           |
| 1.B - Recommended Wilderness Study     | 6.A - Old Growth Natural Processes                      | 8.E.6 - Old Field Habitats                           |
| 2.C.1 - Eligible Wild River            | 6.B - Old Growth Fire Dependant                         | 9.A.1 - Source Water Protection                      |
| 2.C.3 - Eligible Recreational River    | 6.C - Old Growth with Disturbance                       | 9.A.3 - Watershed Restoration                        |
| 4.A - Appalachian Trail Corridor       | 7.A - Scenic Byway Corridor                             | 9.A.4 - Aquatic T/E/S Habitats                       |
| 4.B.2 - Proposed Research Natural Area | 7.B - Scenic Corridor                                   | 9.B.3 - High-Elevation Balds                         |
| 4.C.1 - Geological Area - Unsuitable   | 7.C - OHV Use Area                                      | 9.B.2 - High-Elevation Spruce-Fir/Northern Hardwoods |
| 4.C.2 - Geological Area - Suitable     | 7.D - Concentrated Recreation Area                      | 9.F - Rare Communities                               |
| 4.D - Botanical and Zoological Area    | 7.E.1 - Dispersed Recreation Area - Unsuitable          | 9.G.1 - Bottomland Hardwoods                         |
| 4.E.1.a - Cultural Area - Unsuitable   | 7.E.2 - Dispersed Recreation Area - Suitable            | 9.H - Maintenance/Restoration of Forest Communities  |
| 4.E.1.b - Cultural Area - Suitable     | 7.F - Blue Ridge Parkway Corridor                       | 10.A - Sustained Yield Timber Management             |
| 4.F - Scenic Area                      | 7.G - Pastoral Landscapes                               | 10.B - High Quality Forest Products                  |
| 4.J - Urban/Suburban Interface         | 8.A.1 - Mix of Successional Habitats                    | 10.D - Grazing and Forage                            |
| 4.K.1 - North Creek Special Area       | 8.A.2 - Area Sensitive, Mid to Late Successional Forest | 10.E - Timber Management with Recreation             |
| 4.K.2 - Hoop Hole Special Area         | 8.B - Early Successional Habitats                       | 11 - Riparian Area                                   |
| 4.K.3 - Crest Zone Special Area        | 8.C - Black Bear Habitat                                | 12.A - Backcountry - Few Roads                       |
| 4.K.4 - Whitetop Mountain Special Area | 8.E.1 - Ruffed Grouse Habitat                           | 12.B - Backcountry - Non-Motorized                   |
| 4.K.5 - Whitetop Laurel Special Area   | 8.E.2.a - Peaks of Otter Salamander Primary             | 12.C - Backcountry - Natural Processes               |
| 4.K.6 - North Fork Pound Special Area  | 8.E.2.b - Peaks of Otter Salamander Secondary           | National Forest Boundary                             |
| 5.A - Administrative Site              | 8.E.4.a - Indiana Bat Primary                           | City or Town   |
|  |   | County Boundary                                      |
|  |   | Major Highway  |
|  |   | Appalachian Trail                                    |

This map was produced from geospatial information prepared by the U.S.D.A. - Forest Service. GIS data and product accuracy may vary. They may be developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, or incomplete while being created or revised. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. This information was released February, 2003. The Forest Service reserves the right to correct, update, modify, or replace GIS products without notification.
