<i>Following is just info</i>			
*Soft Road Bed closures		CLOSED	CLOSED TO ALL VEHICLES OVER 50 INCHES WIDE 12/1 to 5/15 or as conditions allow (call District for update)
^Seasonal closures for winter range		OPEN	CLOSED between 12/1-4/15 or as soon as conditions allow (call District for update)

The seasonal restrictions for soft bed road protection are still in effect until 5/15 or when road conditions warrant opening the gates for travel. This seasonal restriction allows motorized travel by vehicles 50" or less in width and are open from 5/16-12/31, closed 1/1 to 5/15 or when road conditions allow full sized vehicle travel without road surface damage between gates on that road.
