The Trailhead: From Escalante drive west on Hwy 12. Turn right on the dirt road between milepost 55 and 56 and cross the creek. After a short distance, make a right on the road signed “Barker CG.” This is forest road 149 (FR 149). Continue of FR 149 for 16.5 miles to the Upper Barker Reservoir parking area where the road dead ends.

The Trail: The trail begins on the east side of the Upper Barker Reservoir parking lot. The trail passes through a fence where it comes to a junction with the Dougherty Basin Trail. Continue straight on the trail. The trail begins its gradual climb. At 0.33 miles the Griffin Top Trail comes in on the left. At 1.1 miles turn right towards Long Willow Bottom Reservoir. After crossing over the dam for Long Willow Bottom the trail makes a short climb. The junction for the Round Willow Bottom loop will be on the left. At 1.57 miles turn left on the Griffin Spur Trail. The trail climbs for about 0.25 miles then flattens out. Be sure to look for rock carins and blazes near meadows. At 3.45 miles the trail ends at the junction of the Griffin Point Trail No. 038.
