

Produced by the USDA Forest Service.  
November 19, 2010  
North American Datum of 1983 (NAD 83). Projection and 1 000-meter ticks: Universal Transverse Mercator, Zone 12.  
Non-National Forest System lands within the National Forest inholdings may exist in other National or State reservations.  
This is not a legal document. Public lands are subject to change and leasing, and may have access restrictions; check with the appropriate offices. Obtain permission before entering private lands.  
The Forest Service uses the most current and complete data available. Modifications, updates, and corrections may be made to this map product at anytime. Print quality is determined by the output device used when producing a hardcopy product.  
Refer to the FSTopo resource home page on the Forest Service intranet for additional product information and disclaimers:
