Date: July 15, 2011

Under Section 20. GENERAL

Notice of Litigation: Offerors/Bidders are hereby put on notice that the Phase II Fuel Reduction, Forest Health and Road Management (23684) Environmental Assessment NEPA document and associated decision, which provides the authority to conduct this project, is currently involved in litigation. This may result in contract suspension, modification, or termination. The contract provides for limited remedies in cases of suspension, modification, or termination due to litigation.”

Due to likely litigation set forth in the notice provisions of the Prospectus, described above, the Contracting Officer is unlikely to award this contract until either the litigation is resolved or the high bidder signs a standard Pre-award Waiver, Release, and Limitation of Liability Agreement. A copy of the Pre-award Waiver, Release, and Limitation of Liability Agreement is available for review at the Forest Supervisor's Office.
